

Hi Mr. Hughes-Gorman,

My name is Faith, I am a junior at Western Washington University, finishing my bachelor's degree in Communication Studies before I work towards becoming a professional dog trainer.

I have been assigned, in my Professional Communication class, to interview someone I respect in my chosen career field. I would like to request an informational interview with you to ask about your experience working as a trainer and running your own business, not just for this class, but so I can gain some insight and wisdom as I proceed down the dog training path.

I have a deep respect for and interest in your methodology and the ways you break down dog training to the average dog owner.

If you would be willing to schedule and meet with me over a Zoom call, I would appreciate about 30-45 minutes of your time. Feel free to contact me by email or by phone / text.

Any response is greatly appreciated,

Faith Hill, Junior
