Pay Philosophy

The typical starting salary range for this role is determined by a number of factors including skills, experience, education, certifications and location. The full salary range for this role reflects the competitive labor market value for all employees in these positions across the national market and provides an opportunity to progress as employees grow and develop within the role. Some roles at Liberty Mutual have a corresponding compensation plan which may include commission and/or bonus earnings at rates that vary based on multiple factors set forth in the compensation plan for the role.

Description

Are you a whiz at analyzing business risks? Are you a natural problem solver? Do you never get tired of answering the question, "What if?"

Then you'll be in your element when you join the collaborative underwriting team as an intern at Liberty Mutual.

The details

Our underwriters focus on two fundamental questions: Should Liberty Mutual write a policy for a particular customer? What is a fair price for the risk that we would incur by writing the policy?

This opportunity is with our **Business Lines Underwriting Team**.

- This team help our client's businesses thrive by providing a borad, protective suit of coverages tailored for their specific needs.
- Our Underwriters work together to design the right solutions to help protect each client's business and keep it moving forward.

Best of all, at the close of the program, you'll have the opportunity to explore a future career with Liberty Mutual, one of the leading property and casualty insurers in the country.

****This position may have in-office requirements depending on candidate location.****

Qualifications

What you've got

- You have 0-2 years of professional experience.
- You possess strong analytical, decision-making, and negotiating skills.
- You have solid interpersonal skills and demonstrate a passion for customer service.
- You must be willing to complete professional designation(s) and continued insurance education post graduation.
- You must be available to work full-time for 11 weeks
- You must have permanent work authorization in the United States
